Dear Ms. Greason:

The Division of Licensing and Protection completed the complaint investigation at your facility on **February 18, 2014**. The purpose of the survey was to determine if your facility was in compliance with Vermont Residential Care Home Regulations. The survey statement is enclosed. This survey found that your facility was in substantial compliance with the participation requirements. However, there is one deficiency, which requires a plan of correction. Please write/type the Plan of Correction in the space provided. A completion date for each plan of correction must be indicated in the far right hand column. Attach additional pages if necessary.

Please sign, date, and indicate your title on the bottom of the first page of the report and return this report to this office no later than **March 18, 2014**.

Plan of Correction (POC)

Your POC must contain the following:

- What action you will take to correct the deficiency;
- What measures will be put into place or what systemic changes you will make to ensure that the deficient practice does not recur; and,
- How the corrective actions will be monitored so the deficient practice does not recur.
- The dates corrective action will be completed.

If you disagree with the existence or accuracy of a deficiency, please provide comments in the space provided beneath the deficiency statement.

You may also request an informal review of all or part of the contents of the notice at any time prior to **March 18, 2014** letter by calling Frances Keeler, RN, MSN, DBA, Assistant Division Director, or Clayton Clark, Division Director at 871-3317. If you are not satisfied with the outcome of the informal review with the Division, you may request a review by the Commissioner of Disabilities, Aging and Independent Living. To request a review with the Commissioner, call (802) 871-3350.

The Department is authorized to impose sanctions for failure to correct a deficiency and/or failure to provide proof of correction by the specified Correction Date. Depending on the nature of the violations, the following sanctions may be imposed: administrative penalties of up to \$10.00 per resident or \$100.00, whichever is greater, for each day the violation remains uncorrected; suspension, revocation or modification of an existing license; refusal to renew a license; suspension of admission or transfer of residents to an alternative placement; injunctive relief to enjoin any act or omission; and the appointment of a receiver for a facility. If you feel strict compliance with the law or regulations would impose a substantial hardship, you may apply to the Department for a variance as stated under Section III of the Residential Care Home Licensing Regulations. You must do so prior to **March 18, 2014**.

As noted above, you may seek an informal review from Frances Keeler, RN, MSN, DBA, Assistant Division Director, or a Commissioner's review of this decision.
